Dr. Nour Awada

Vice President (Academics)

European Global School, Paris - France

European Global School - France is ISO 9001:2015 certified by LMS – United Kingdom.

Paris, France (May 23, 2019) – European Global School, France are delighted to have been awarded ISO 9001:2015 certification, an internationally recognized standard that ensures their services meet the needs of students through an effective quality management system. EGS's decision to work towards ISO 9001:2015 accreditation demonstrates their commitment to continually improving their services. To become ISO 9001:2015 compliant, the EGS underwent an extensive company-wide audit that included quality management system development, a management system documentation review, pre-audit, initial assessment, and clearance of non-conformances.

INTERNATIONAL ACCREDITATION SERVICE®

ISO 9001:2015 CERTIFIED

ISO is one of the most rigorous and well-regarded standards in the world. European Global School were audited by LMS Certificate – U.K, and were presented with their certificate in May 2019.

Gaining ISO 9001:2015 reinforces EGS's relentless focus on creating industry-leading services, measured against global benchmarks of industry excellence.

ISO 9001:2015 is a globally recognized quality management standard developed and published by the International Organization for Standardization (ISO) that provides a model companies of all types and sizes can use to build an effective quality management system. The standard is based on several quality management principles, including a strong customer focus, involvement of high-level company management, a process approach and ongoing improvement of the process.

"We are excited to earn certification to ISO 9001:2015 and feel it provides additional

assurance to our student that we are focused on continuous improvement and satisfaction," said Dr. Nour Awada, Vice President. *"This certification is a testament to our desire to always perform at the highest levels of quality and efficiency. It's essential to delivering innovative, high quality and market-focused education to our students."*
